S I R:

This is in response to the outstanding office communication dated September 21, 2006. The Commissioner is authorized to charge any fees required by this paper and any additional fees for the prosecution of this application to Deposit Account No. 503814.

The Examiner has requested that one of three alleged inventions identified as Group I, inclusive of claim 1, drawn to a BYT film, Group II, inclusive of claims 2-8 drawn to a method of forming a BYT film and Group III, inclusive of claim 9 drawn to electronic device, be selected for prosecution on the merits under 35 USC 121.

The election by applicant of Group I is made without traverse.

Respectfully submitted
